1:1-17	1:18-3:20	3:21-5	6-8	9-11	12-16
The Cross God's righteousness is shown through the glorious gospel of Jesus Christ.	The Ditch Man's sin and guilt is evident through its presence and judgment.	The Road God presents us as righteous before God through faith in Christ.	The Plan The Lord calls us to live out righteous lives by Christ's power within us.	The World God makes His Name great by spreading His grace to the whole world.	The Kingdom God's Name is glorified by His people living out righteousness lives.
What is the gospel of the Lord Jesus?	Why does man need God's provided righteousness?	How does God make sinful man righteous in Christ?	How does God enable man to live righteous lives.	How has God made the proclamation of Christ's righteousness mandatory?	How are God's people to live out God's righteousness in this world?

A practical expository series on the Book of Romans that helps the teacher, preacher and student to be able to understand, explain and teach its relevance to those living in today's world.

THE ORIGINS OF THE BIBLE

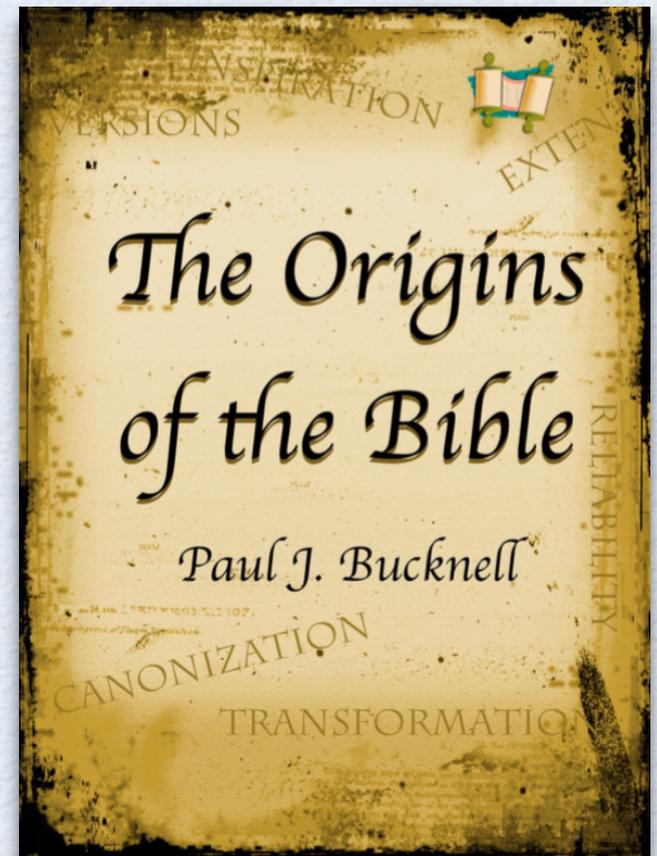

Build up Your Confidence in God's Word

4-6 sessions

Why is it so important that we know the Bible is reliable? Our faith in God and His Son Jesus stems from our confidence in the teaching of His Word.

The world is chipping away at the faith God's people have in the Bible, but we can counter this trend by building up our confidence in God's Word by closely looking at its amazing origins.

Studies include a look at canonization, original texts and attacks on the scriptures.
