

BFF CD2.3 index

Version 2.3 Nov/2006

The BFF CD2.3 has an amazing number of top quality Biblical-based articles. Included are the full-fledged seminars on *Overcoming Anxiety*, *Biblical Parenting Principles*, *Building a Great Marriage* and many more. *Biblical Foundations for Freedom* has many more articles than can fit on one CD. Because of insufficient room, we have simply not included many articles. If you are interested in Chinese articles not mentioned, please download them or request them from us. We will substitute other articles.

We have included a few diagrams to help you understand where the files are on this CD. We hope it helps! Please note the two folders. The Files2.3 folder has hundreds of BFF articles in it with literally thousands of printable pages. The Web2.3 folder has the BFF web site in it. We have listed the articles in the Files2.3 folder below. Read the *faq.pdf* file for loading the BFF web site on your computer. As you can see, we have tried to provide full-time ministers the best bargain you can get. All of this including mailing is for free to those ministering full-time in developing countries. We limit the offer to one CD in order to help manage the costs.

This only begins the fun! After you receive the BFF CD, we give you permission to edit the articles for your teaching, copy the articles or even the whole BFF CD for others. Put a copy in your church library. We only ask that it is not done for profit. If you translate the materials, please send us a copy so that we can put it on the web to share with others. The Best for the Best!

The Files2.3 folder has five folders within it. These topical articles are organized according to the level of training (0-Overview; 1 Basic, 2 Intermediate, 3 Advanced). Make sure you don't skip over the Overview files. They are fundamental in helping you understand spiritual growth.

#0 Discipleship Concepts folder has articles that help us get an overall view on spiritual growth and discipleship. Articles on The Flow are included here.

#1 Basic Discipleship folder has basic discipleship series. The 7 lesson 3xE basic discipleship training series as well as the 12 lesson Cross Training discipleship series is included here. Both are also great for Sunday School training.

#2 Intermediate Discipleship folder includes many series and many individual articles: Among the series include: Overcoming Anger, Overcome Anxiety, Reviving Personal Devotions, Biblical Parenting Principles, Godly Beginnings for the Family, Building a Great Marriage.

#3 Advanced Discipleship folder includes those series and articles on developing godly leaders including: Advances Discipleship Training, The Godly Man, The Dark Series, Walking with Christ and on the Call to Ministry.

The **Bible folder** is organized according to OT and NT. We have lots of maps, diagrams and explanatory materials including the beginning of our Living Commentary. Unfortunately, we have had to greatly reduce the number of Bible articles on the CD. However, the please read, print and share the many that are there.

Enjoy these graphic-filled articles. We hope they make you more effective teachers of God's Word, established in His Word and always developing your skill as you depend upon our great and magnificent Lord Jesus Christ!

We list most of the series and individual articles on the following pages. Please allow for minor changes due to updating files into a limited space. We are continually trying to keep the best for the best! And don't forget to join our email list for to notify you of new articles, free of course. (We do not share this list with others).
