

BFF Discipleship Training CD Index

November 2006

The **BFF Discipleship Training CD** has an amazing number of top quality Biblical-based articles on discipleship and Christian spiritual growth. Included are books like *The Godly Man* and *Walking with Jesus*, a full-fledged seminar on *Overcoming Anxiety*, a discipleship training material called *Cross Trainers* and much more.

This only begins the fun! After you receive the BFF CD, we give you permission to edit the articles, powerpoints, etc. for your teaching. Copy them and even the whole BFF CD for others. Put a copy in your church library. We only ask that it is not done for profit. If you translate the materials, please send us a copy so that we can put it on the web to share with others.

The training materials are categorized into four levels of training:

O-Overview; 1 Basic, 2 Intermediate, 3 Advanced.

Make sure you don't skip over the Overview articles in folder #0. They are fundamental in helping you to understand the whole process of spiritual growth.

#0 Discipleship Concepts folder has articles that help us get an overall view on spiritual growth and discipleship. Articles on The Flow are included here though they really belong to #3 level.

#1 Basic Discipleship folder has basic discipleship training series. The 7 lesson 3xE basic discipleship training series as well as the 12 lesson *Cross Trainers* discipleship series is included here. Both are also great for Sunday School training.

#2 Intermediate Discipleship folder includes many series and many individual articles: Among the series include: *Overcoming Anger*, *Overcome Anxiety and Reviving Our Personal Devotions*. Please note that the marriage and parenting articles are included on another CD called the Family Training CD.

#3 Advanced Discipleship folder includes those series and articles on developing godly leaders including: *Advances Discipleship Training, The Godly Man, The Dark Series, Walking with Christ* and more!

Enjoy these graphic-filled articles. We hope they make you more effective teachers of God's Word, established in His Word and always developing your skill as you depend upon our great and magnificent Lord Jesus Christ!

We list most of the series and individual articles on the following pages. Please allow for minor changes due to updating files. Please don't forget to join our email list to notify you, free of course, of new articles. (We do not share this list with others).
