

BFF Family Training CD Index

November 2006

The **BFF Family Training CD** has three main seminars along with many other marriage and parenting articles including a mini-series on restoring teens. The three full seminars are:

- ★ *Building a Great Marriage!*
- ★ *Biblical Parenting Principles: Toddlers and Up*
- ★ *Godly Beginnings for the Family*

Each series not only has handouts but graphic-filled powerpoint slides and reading. Feel free to print them and even to modify them for one's own teaching. You can even put a copy in your church library or send a copy to your church-supported missionaries. We only ask that it is not done for profit. If you translate the materials, please send us a copy so that we can put it on the web to share with others.

Enjoy these graphic-filled articles. We hope they make you more effective teachers of God's Word, established in His Word and always developing your skill as you depend upon our great and magnificent Lord Jesus Christ!

We list most of the series and individual articles on the following pages. The Chinese articles are listed at the end. Please allow for minor changes due to updating files. Please don't forget to join our email list to notify you, free of course, of new articles. (We do not share this list with others).
